BRIGHT FUTURES EDUCATIONAL TRUST

Newsletter

21st January 2022

Covid has continued to cause us real difficulties in terms of staffing and I can not thank families enough for all of their support. We know this is as difficult for you as it is for us.

This week has been a really busy learning week and we have seen so many children making such lovely progress - please do log in to Earwig to see the wonderful things the children have been achieving! Over the coming weeks we will be looking at how we support reading development at home so please keep an eye out for some surveys about what is going to work best for your family.

Lovely News!!
