## Head Of School message

Kate Green MP

Today Kate Green MP visited our school for the first time since we have been in our new site. It was a delight to welcome her to school and she was blown away by all your children. We walked round school and every child was engaged in learning, happy and so very settled. It was wonderful to see.

## COVID

We are still seeing a small number of COVID cases in the children across school. We know that community rates are very high at the moment. Please do not send children to school if they have any symptoms of COVID, please instead access a PCR test. This helps to keep our whole community safe.

# Family Support

Our family team continue to be available to support families with a variety of different things from housing to DLA to sleep tight referrals. If you would like to make an appointment or to speak to one of the team please give the school office a call.
